

**Sustainable Bond Market Developments in Emerging East Asia**  
**29 November 2021**  
**13:30 -14:30 (Cambodia time)**  
**Online through Zoom**

ADB, in collaboration with the Securities and Exchange Regulator of Cambodia (SERC), conducted a capacity building workshop on sustainable bond market developments in Cambodia on 29 November 2021. ADB's Kosintr Puongsophol launched the Handbook on Green Bond Issuance and ADB's Donghyun Park launched the Asia Bond Monitor November Issue. Experts from the ADB, Philippines, Malaysia, and Japan, discussed sustainable bond issuance and external review processes; and highlighted opportunities for sustainable corporate bond market development in Cambodia. Over 100 participants including potential issuers, financial supervisory agencies, and other market participants from Cambodia attended the workshop.
